## **New NTS On-Line Training**

**Level 1- Certified Alarm Technician (1.2 CEUs)**  
**Advanced Burglar Alarm Technician (1.6 CEUs)**  
**Fire Alarm Installation Methods (1.6 CEUs)**

The above on-line training courses have been approved by the Advisory Board.

You will need to register with NTS. They will ship a manual to you.

Once you complete the course and pass the on-line test, you will be provided with a certificate of completion from NTS. **The certificate is not valid to obtain a license.**

Please contact the LLSSA Office to take the required test approved by the Advisory Board.

The certificate issued by NTS must be presented to the LLSSA Office in order to verify that the course was completed and that you have passed the on-line test.

The LLSSA Office will make arrangements for you to take the necessary Examination to fulfill the education requirement to obtain a license.

Training Cost per course:

\$ 297 Members / \$495 Non Members

+ Exam: \$150 =

**\$447 Members / \$645 Non Members**
